Dear Mr McIntyre

I am writing to you at the suggestion of [Redacted] Civilian Records Archivist at the National Archives I am seeking permission to view the FBI file (or any related file that may exist) on Leon Hirsch Keyserling According to one index card that [Redacted] located in the "Internal Security Index," Keyserling's DOJ number is 146-200-903, I enclose a copy of that card

(S) [Redacted] Leon Keyserling and his wife Mary (both are deceased) I found copies of FBI reports on Leon in a National Archives file on his wife, so I imagine there is a complete file on him somewhere I will be in Washington on June 16 and could come view the file then, but that may be too short notice for you I also would be happy to pay to have the file copied and sent to me, if you can tell me the estimated cost in advance

Thank you very much in advance for your assistance If you have questions, please e-mail me at [Redacted] telephone at [Redacted] or write to me at [Redacted]

Sincerely,

Dandon R Y Storrs
