RECEIVED

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act and the Electronic FOIA amendments, 5 U.S.C. 552.

- 1) I request a copy of all comment letters and responses sent to or received from PeopleSoft, Inc from Jan 1, 2000
- 2) I request copies of all incoming FOIA request letters and SEC response letters requesting information on PeopleSoft, Inc. from Jan 1, 2000.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. This will occur through stories we may publish. The Associated Press is a not-for-profit corporation and is the collective representative of virtually all news organizations in the United States.

I am willing to pay fees for this request up to a maximum of \$20. If you estimate that the fees will exceed this limit, please inform me first by supplying me with an itemized list of charges.

As you know the Freedom of Information Law requires that an agency respond to a request within twenty business days of receipt of a request.

Therefore, I would appreciate a response as soon as possible and look forward to hearing from you shortly.

If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name and address of the person or body to whom an appeal should be directed.

In the event that you determine that some portion of a file is exempt from release, I request that you release any reasonably segregable

portion

of the documents which is not exempt. I, of course, reserve my
right
to

appeal such decisions.

Thank you for your assistance.

Very Truly Yours,

Randy R. Herschaft
