	2. Ambassador Sigfrido Munés called on me November 17 upon return from San Salvador. He informed me that he had met with General Garcia on November 16 and latter had informed him that he was determined to go through with efforts to replace D'Aubuisson as President of Constituent Assembly. Garcia apparently gave Munes no indication of when he thought this might transpire; but obviously Munés himself believes the sooner the better.	
AMB DCM POL	3. Munés said he felt that D'Aubuisson and the ARENA ARENA had become an almost unbearable drag on Salvador's international image and his fellow party members believed it urgent that he be forced into the opposition as soon as possible.
