Re: FOIA Control Number 03-246LK

Dear Ms. Kane:

Thank you for taking the time to speak with me last week regarding my February 19, 2003 FOIA. As you suggested, I am providing a modified request in an attempt to focus more closely on the materials of immediate interest. As you will see, I am asking for access to significantly less data and have excluded all FOUO, confidential classified and secret data from this supplemental request. With this in mind and in accordance with your recommendation, I have segmented the request by groups as they were reviewed by me from the indices provided by Renee Collier from AFSLA so that they may be distributed with this cover letter and handled as separate requests. To further facilitate the location of records, where possible, notes taken from the indices that indicate the location of the records requested are provided. This should assist you in locating the records quickly and either allowing our review or providing the information in an expeditious manner. As we discussed, since we are providing these as separate requests I would appreciate you providing us with the requested materials on a rolling basis.

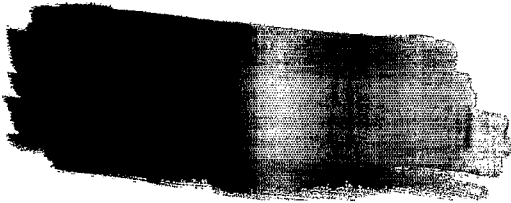

Also attached is a letter from Counsel to Dade County Florida authorizing the expenditure of reasonable research and reproduction costs up to \$10,000.

As you indicated you will be on vacation when these requests arrive in your office, as you directed, I have also forwarded this request to Sheree M. Coon so that processing of the requests may begin.

I sincerely appreciate your assistance with processing this request and am available to answer any questions you and/or Ms. Coon may have. I can be reached at 

I look forward to hearing from you upon your return to the office.

Sincerely,

Cc: Sheree M. Coon
