**Subject:** FOIA Request

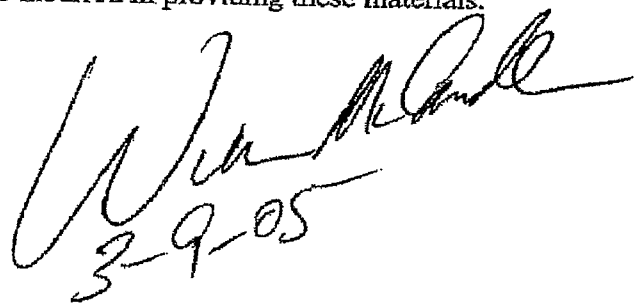

Please consider this email as a request for information pursuant to the Freedom of Information Act.

Would you provide me with all records pertaining to

- (1) An investigation of an accident at the Jim Walter Resources Blue Creek No. 4 Mine on January 29, 2003 involving an injury to [redacted]
- (2) All safety regulations, protocols or other procedures regarding the use of straps or chains (whip checks) in conjunction with the use of high pressure hydraulic hoses in effect on or before January 29, 2003.
- (3) All safety regulations, protocols or other procedures regarding the inspection and/or replacement of high pressure hydraulic hoses in effect on or before January 29, 2003.
- (4) All citations and records related thereto issued in conjunction with the injury to Judy Gail Smith on January 29, 2003.

We will reimburse you for the reasonable expense incurred in providing these materials.
