Re: FRA FOIA File No.: 05-099

Dear Mr. Fashouer:

Thank you for your letter dated February 8, 2005. Per your request, please see below for specifically identified documents as identified in the CSXT-FRA Agreement:

Date Period: April, 2000- 2004
Railroad: CSX
From CSXT & FRA "Safety Compliance Agreement" page 3

Capital Improvement and Maintenance Programs For Tracks for the Years 2001 through 2004, including all data that was considered in planning track improvements, including but not limited to rail defect history, derailment history, automated track inspection data, and well as other pertinent information which has been factored into CSXT's capital improvement program and maintenance planning decisions.

If you have any questions regarding this request, please do not hesitate to call my office. Please call if you require any fee for this service in advance. Thank you for your anticipated courtesy and cooperation in this matter.

Sincerely,

William J. McMahon
