RE: FIOA Document Request

Dear Ms. Roman,

I am writing to request a copy of an awarded grant application under the Freedom of Information Act (5 U.S.C. § 552). The application I am requesting was submitted by the Child Abuse Prevention Council of Sacramento (CAPC) to the U.S. Department of Housing and Urban Development under the agency's Healthy Homes Initiative.

The CAPC was awarded \$1.5 million dollars to increase detection and reduce incidents of lead poisoning and other ailments in Northern California. The award was made during FY 2000 and initial funds were most likely distributed early in FY 2001. The HUD Grants Officer managing the grant was Karen Williams at the U.S. Department of Housing and Urban Development in Washington D.C.

Please send one copy of the grant application and available supporting documents to my office at your next earliest convenience. If you need additional information to fulfill my request, please feel free to contact me anytime. Thank you for your help.

All the best,

RE : FOIA request regarding MHLS-2004-1

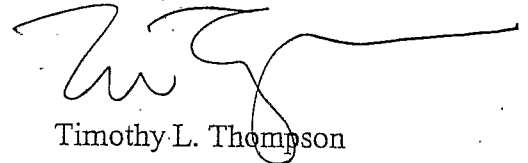

Dear Ms. Gordon :

Pursuant to the Freedom of Information Act (FOIA), I'm writing to request certain information with respect to the notice of sale of mortgage loans, MHLS 2004-1, advertised in the Federal register on February 19, 2004.

In particular, I request copies of any documentation regarding any unsubsidized mortgage loans included in this sale which are subject to regulatory agreements requiring budget-based rent increases or other forms of rent control. Please provide, among other available information, mortgage numbers, federal property identification numbers, and names of projects subject to such loans.

Thank you for your anticipated prompt cooperation.

Sincerely,

Timothy L. Thompson
