Office of the General Counsel  
National Geospatial-Intelligence Agency  
4600 Sangamore Road (D-10)  
Bethesda, MD 20816

Dear

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting all available satellite and/or aerial imagery of Shin Kallay, Helmand, Afghanistan, preferably in digital form.

Shin Kallay is located to the northwest of the provincial capital, Lash Kar Gah. The area in question is roughly 0.28 square miles.

The northwest corner's coordinates are:

Latitude: 31.647153

Longitude: 64.216008

The southeast corner's coordinates are:

Latitude: 31.638291

Longitude: 64.223791

Please supply the records without informing me of the cost if the fees do not exceed \$100, which I agree to pay. If the fees exceed this amount, please provide an itemized list of the fees for each image available so that I may select those of highest priority. In the unlikely case that such imagery does not exist please instruct me as to how I could obtain it.

I am a board member of the 501(c)3 organization Green Village Schools. My purpose for the request is that my organization has built and is maintaining two very successful schools in Shin Kallay and wish to have a map of the region. Please either contact me via e-mail or look at our website for further information.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

Sincerely,

/
