To whom it may concern:

This is a request under the Freedom of Information Act (FOIA).

Around the end of May, beginning of June 2001, [redacted] personal information [redacted] personal information MSD is a contractor for the National Library of Medicine and the National Institutes of Health.

The two positions were: Programming Development Specialist and Web Backend Developer. Daniel Main, from MSD, [redacted] personal information [redacted] personal information

I am requesting a copy of any NIH documents, including e-mail, that are related to the reception, evaluation, and hiring decision for these two applications.. I am specially interested in the date of reception by the NIH of my resumes and accompanying test. Dates of evaluation and hiring decision are also specially important.

The documents requested cover both communications within NIH and communications between NIH and MSD, Inc.

I am asking for a waiver of any costs related to the copying of these documents.  
Thank you.
