MEMORANDUM FOR: Chief, Special Activities Division

FROM:

[redacted]
 Counterintelligence Branch
 Special Activities Division

SUBJECT: Recent Meeting on Pollard Case

1. At the invitation of [redacted] OGC, the undersigned attended a recent meeting on the Pollard espionage case. In addition to the undersigned, present were [redacted] OGC; [redacted] and Commander [redacted] and Commander [redacted] USN/JAG. The meeting was held at the request of Commanders [redacted] and [redacted].

2. Commander [redacted] stated that Caspar Weinberger, Secretary of Defense, is interested in communicating to the court precisely how much damage has been done by Pollard. Secretary Weinberger would like to present an affidavit to the judge (Judge Aubrey Robinson) a factual description of the damage that has been sustained via Pollard's passage of sensitive U.S. documents to the Israelis. For the affidavit, Commander [redacted] has been appointed to contact all interested agencies in the case. [redacted] has communicated Secretary Weinberger's wishes to CIA, DIA, NSA, Army, and Navy. The State Department has not been contacted as Secretary Weinberger will retain authority to address the issue of damage to foreign relations in the affidavit. [redacted]

3. The affidavit will possibly be constructed along two formats. One format will be presentable to the judge, a second redacted version will be presented to Pollard's defense attorneys. [redacted] noted that the defense attorneys have been cleared to ~~SECRET~~ level. This was noted as [redacted] stated that it is conceivable that the judge may show his version to the defense attorneys. Also, [redacted] envisions that there will be attempts by the defense attorneys to move for unsealing the affidavit. These attempts can be handled without posing a threat to intelligence sources, stated [redacted]. Commander [redacted] assured those present that the CIA input to the affidavit will not be shown to any of the other U.S. government agencies involved. Further, Commander [redacted] will clear the draft of the affidavit with CIA prior to its presentation to the Judge. [redacted]

is predicted that the debriefing of Pollard will take place early next week, as soon as prisoner jurisdiction problems are worked out between the U.S. Marshals Service and the FBI. Pollard's sentencing will be on or about 1 October 1986. 

6. You will be advised of further events in subsequent memoranda.
