MEMORANDUM FOR: Publications Review Board

FROM:
Associate General Counsel

SUBJECT: Kermit Roosevelt Manuscript

REFERENCE: My Memo to you, same subject, dtd 20 October

1. On 20 December 1978 I was informed by Jonathan Roosevelt that his father had prepared a new manuscript which incorporated the changes requested by Mr. Roosevelt and myself as reported in the referenced memorandum. I had the new manuscript picked up by Agency courier and attached with it was a letter addressed to me from Mr. Kermit Roosevelt (copy attached). I read that letter as informing the Agency that he, Kermit Roosevelt, has complied with our request and, unless we advise him to the contrary, he will present this version of his manuscript to the publisher on 27 December.

2. I therefore urge that the DDO be requested to review this new manuscript to ascertain if there is classified material in this current version, in which event they will have to identify it specifically and be prepared to discuss it with Mr. Roosevelt no later than 27 December.
