UN should  
develop plan of protection  
for UN + civilians  
• Plan transfer  
to 270 - political only.  
} which resources

Bard wants to withdraw 200 tonight...

500 - 1 coy @ airport

↓ Rest @ stadium protecting + controlling HQ

270 total - want to do tonight

1 coy 120 Ghanaians      Troops have been of alert

80 Tanzanians  
Protective of SREG...

general consensus that we <sup>(15)</sup> can sign up to Res. (including Nigeria)

Action not needed for withdrawal

- bad precedent, potentially

1) Do we need resolution to withdraw

2) How do we protect people if forces are withdrawn

3) Do we want to hand this off to a regional approach  
as Museveni suggested

UNforce was 2,200

430 Belgians

880 Bangl.

400 Ghanaians

0  
(-200) 650

400 - or Rei may down from 500

Mainly protecting stadium (12,000)

1 company around stadium

- We think best unit available PC - probably

- Psychological warfare

Safety of Plc = @ nslc

- Bengali = fundamental control problems
- Ghanaians = morally respectable

(covered att. downstroke) - effect of fall pullout or Bernoulli.
