24.3 Richard Helms memorandum

MEMORANDUM FOR THE RECORD

**SUBJECT:** Discussion with Attorney General Mitchell on Domestic Intelligence

1. During a private meeting with the Attorney General on 27 July 1970, it became clear, to my great surprise, that he had heard nothing whatever about the President's instructions on "Domestic Intelligence" until that very morning. In other words, the Attorney General had not been told of the meeting at the White House on 5 June 1970 or of the ad hoc committee meetings chaired by the FBI which had followed or about the report which was sent to the President around 1 July, setting forth constraints on domestic intelligence collection. As I understand it, the Attorney General first heard about these matters when the Director of the FBI complained to him about a memorandum from Mr. Tom Charles Huston which must be essentially the same text as the one I received under date of 23 July 1970 (#SC 06875-70).

2. I told the Attorney General that we had put our backs into this exercise, because we had thought that he knew all about it and was behind it. The Attorney General was frank with me. In addition, he said that he had told Mr. Hoover to "sit tight" until he (the Attorney General) had an opportunity to discuss this whole matter with the President upon his return to Washington from San Clemente next week.

3. In connection with the problems involved in domestic intelligence collection, I again suggested to the Attorney General that he have a talk with Mr. Ben J. Pappan who, I pointed out, has now fully retired from the FBI. The Attorney General again wrote down Mr. Pappan's name.
