We have had no indication from any source as to the reason why Attorney General asked the Director to meet with him, Mr. Helms and Admiral Gayler on 3/31/71. Since Mr. Helms is Director of Central Intelligence Agency (CIA) and Admiral Gayler is Director of National Security Agency (NSA), both of which agencies are deeply involved in production of foreign intelligence, it would appear that the meeting will probably cover this subject matter.

One of the most pressing problems of the Administration relates to the control of activities of criminal subversives, such as the Weatherman group, the East Coast conspiracy and the Black Panthers. Production of intelligence relating to the proposed activities of such groups has ramifications both in the domestic field and the foreign field, the latter because of indications of possible foreign direction and control of these radical militants.

Memorandum for Mr. Brennan
 Re: DIRECTOR'S MEETING 3/31/71 WITH
 ATTORNEY GENERAL, MR. RICHARD
 HELMS AND ADMIRAL GAYLER

While Bureau has primary responsibility for internal security matters which includes production of domestic intelligence, recognizing the possible foreign ramifications of the present problem relating to criminal subversives, it is felt we should take advantage of any resources of NSA and CIA which can be tapped for the purpose of contributing to the solution of this problem.

Our principal sources for production of intelligence in this area are electronic surveillances and live informants. We have telephone surveillances and microphone surveillance targeted specifically for the production of intelligence in this field. Among our live informants and sources, are targeted specifically against criminal subversive individuals and organizations. In addition, we have approximately potential informants and sources in various stages of development for this same purpose, many of whom are currently providing significant intelligence data. In various ghetto areas where criminal subversives are concentrated we have over 6200 ghetto informants, persons residing in the areas or having contacts therein, who have agreed to provide us with any information of interest to the FBI which comes to their attention.

As noted above, we feel that the foregoing matter is the one most likely for discussion during the 3/31/71 meeting; however, any matter in the foreign intelligence collection field would appear to be a possible subject for discussion, in view of the presence of Mr. Helms and Admiral Gayler and considering their primary missions.

ACTION:

Foregoing is submitted for the information of the Director.
