NOTE FOR THE PRESIDENT

Jack Marsh asked me to deliver this briefing memo for tomorrow's 8:00 a.m. meeting with House leaders on the intelligence investigation.

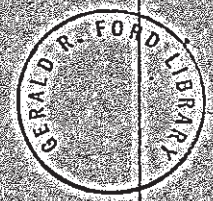

Secretary Kissinger (via Bud McFarlane) has asked that the following be included as another category of materials which would not be provided the Committees (see Tab A):

- 3) Diplomatic exchanges or other material the disclosure of which would be embarrassing to foreign governments and damaging to the foreign relations of the United States.

Your other advisors have not had the opportunity to comment on this recommendation.
