FOIA Case: 83665 & 83664
8 February 2016

This responds to your Freedom of Information Act (FOIA) requests of 6 February 2016, which were received by this office on 8 February 2016, and were assigned the following numbers:

83665: "A listing of the National Security Agency NSA Office of Inspector General OIG investigations closed during calendar years 2005 through 2008.."

83664: "A listing of the National Security Agency NSA Office of Inspector General OIG investigations closed during calendar years 2010 through 2015."

For purposes of this request and based on the information you provided in your letter, you are considered an "all other" requester. As such, you are allowed 2 hours of search and the duplication of 100 pages at no cost. There are no assessable fees for this request.

Your request has been processed under the provisions of the FOIA. We are enclosing a document previously released under the FOIA, although much more broad in scope, which is also responsive to your request in that it covers the requested time period through **July 2012**.

For the remaining time period, please note the following. You previously requested a list of closed IG investigations for **2012** in Case 69945; that document is in our backlog queue pending review for release. You previously requested a list of closed IG investigations for **2013** in Case 78237; that document was released to you circa January 2016. You previously requested a list of closed IG investigations for **2014** in Case 80102; that document will be released in the very near future. We will begin processing the outstanding time period (for IG investigations closed in **2015**) as soon as we are able. We appreciate your patience thus far.

Sincerely,

A handwritten signature in black ink that reads "J. Chapman" followed by a small "for" written below it.
