To Whom It May Concern –

On behalf of the American Gas Association (AGA), I would like to request a staff-level meeting with OAR to discuss AGA's environmental and energy priorities. We hope to meet in-person with staff from OAQPS and OAP so we can discuss the following issues:

- OAQPS
 - Clean Air Act Sec. 111
 - Clean Air Act Sec. 110 state implementation plans
- OAP
 - ENERGY STAR
 - GHG Reporting Program (specifically Subpart W)
 - GHG Inventory

Attached please find AGA's January 16 letter to the Trump Administration's EPA transition team. The letter provides additional detail on the topics AGA hopes to discuss with OAR staff. We anticipate that the following AGA staff members would attend this meeting:

- Matthew Agen, Chief Regulatory Counsel, Energy
- Jennifer Baseman, Senior Counsel, Environment
- Ashley Duckman, Managing Director, Policy and Strategy
- Allison Ealey Cunningham, Senior Director, Governmental Affairs & Public Policy

We are happy to either meet at EPA's offices or host EPA staff at AGA's offices (we are located at 400 North Capitol Street, NW, across the street from the Senate side of the Capitol complex)—whichever is EPA's preference.

We hope to schedule this meeting at your earliest convenience. Below are some scheduling options that work for the above-listed AGA staff over the next few weeks:

- Friday, March 14, concluding by 11:30 AM
- Tuesday, March 18, concluding by 9:30 AM
- Wednesday, March 19, 11:00 AM to 12:00 PM
- Wednesday, March 26, 11:00 AM to 12:00 PM
- Thursday, March 27, concluding by 9:30 AM
- Friday, March 28, concluding by 12:00 PM or after 2:30 PM
- Tuesday, April 1, 1:30 to 3:30 PM
- Friday, April 4, concluding by 11:30 AM or after 2:30 PM

This staff-level meeting is intended to precede a higher-level meeting between Administrator Zeldin and AGA's President and CEO, Karen Harbert. AGA has already submitted a request for that higher-level meeting to the Administrator's office.

Please let me know whether you have any questions or require additional information. I look forward to hearing from you.

Best regards,

Jen
