MEMORANDUM FOR THE DIRECTOR, CENTRAL INTELLIGENCE

SUBJECT: JCS Proposal Concerning Communist China

The enclosed JCS paper recommends the establishment of an interagency group to consider ways and means for impeding the Chinese Communist nuclear development program. It seems to Mr. William P. Bundy and to me that the 5412 Group would be an appropriate forum for considering the JCS proposal. Before submitting it to 5412, I would like to know your initial reaction to the paper.
