Terrorism: Bin-Ladin and Associates Making Near-Term Threats [redacted]

[redacted] *expect Osama Bin Ladin to launch multiple attacks over the coming days.*
[redacted]

These warnings are consistent with what appears to be a new public threat issued by Bin Ladin. An Arabic news channel reported on Saturday that its correspondent in Afghanistan interviewed Bin Ladin last week and was told to expect a "severe blow" against US and Israeli interests during the next two weeks.

-- The station did not show footage of the interview that would substantiate its claim, but the correspondent's description of security measures imposed during his meeting with Bin Ladin is consistent [redacted]
