Replying to @joshrogin

After months of promoting baseless claims of voter fraud, which were rejected by the judiciary in dozens of cases, President Trump encouraged supporters, some armed, to storm the U.S. Capitol while Congress was certifying the results of a free and fair presidential election...

STATE DEPARTMENT DISSSENT CABLE POINT 2:

The Department of State should explicitly denounce President Trump's role in this violent attack on the U.S. government. Just as we routinely denounce foreign leaders who use violence and intimidation to interfere in peaceful democratic...

Over 100 State Dept officials sign Dissent Cable, here is Point 3:

Department press guidance describing this violent riot should include the following line: "President Trump's incitement of violence against the certification of the United States' free and fair elections..."

4th and Final Point in State Dept Dissent Cable:

This change in our guidance would be a first step towards repairing the damage these events have inflicted on our international credibility. It would allow the United States to remain a beacon of democracy...
