

The Minister has given approval for MO9 to open a Station in SANTIAGO, Chile. This follows representations

2. [REDACTED] has been chosen as Station Commander and will be moving to SANTIAGO as soon as administrative arrangements and [REDACTED] can be completed. This is not likely to be before [REDACTED]

3. I would be glad if you would circulate your copy of this minute to those of your staff who need to know. There should not be any discussion of the project outside [REDACTED] of course.
