NRO REVIEW COMPLETED

[Redacted]

Copy 7

4 October 1963

25X1

MEMORANDUM FOR THE RECORD

SUBJECT : Synchronous Satellite

REFERENCE: [Redacted]

1. This date the undersigned reviewed the information contained in referenced document with [Redacted] as follows:

25X1

a. It is technically feasible to develop a synchronous satellite capable of the missions described.

b. It will press the state of the art.

c. It is important that we proceed with the basic study as a first step in a cost effectiveness review.

d. Dr. Wheelon's office has reviewed technical aspects

[Redacted]

e. We see the initiation of this effort as part of our Program B, NRP task.

2. [Redacted] indicated agreement with the above and stated that he has discussed the technical aspects with [Redacted]

[Redacted] called as a part of Dr. McMillan's NRO budgetary analysis.
